FIREFIGHTER SPECIALIST

DEFINITION

Under supervision, performs skilled and technical fire suppression and prevention activities.

SUPERVISION RECEIVED/EXERCISED

Receives supervision from a Fire Captain or a Fire Investigation Unit Supervisor. Exercises no supervision.

DISTINGUISHING CHARACTERISTICS

Firefighter Specialist is the technical working level class in the fire service. Assigned to either the Fire Suppression and Emergency Medical Services, or Fire Prevention and Investigative Services Bureaus, incumbents may drive and operate fire apparatus; conduct fire prevention inspections; test fire equipment; and conduct fire investigations. This class differs from Fire Captain in that incumbents of the latter have full supervisory responsibility for a fire company on a continuing basis. It differs from Firefighter in that incumbents of the latter perform journey level firefighting duties in the protection of life and property.

EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES

(May include, but are not limited to, the following:)

Drives fire apparatus to fire incidents and emergency calls; prepares for pumping operations and pumps water to fire at proper pressure; operates aerial trucks and all devices therein.

Inspects pumping and other equipment to insure that apparatus is in good working condition and notifies Fire Captain of any defects; inspects, cleans, and maintains equipment.

Assists in keeping fire station in a clean and orderly condition; maintains an accurate running log of out-of-service streets and hydrants in the City.

Conducts fire prevention inspections of assigned occupancies and tests fire protection equipment; detects hazardous conditions or violations of fire and building ordinances and laws; issues citations and warnings for violations; may conduct training of civilian and Fire personnel in applicable fire code regulations, fire inspection methods and procedures, and fire safety.

Investigates causes of fires, seeking evidence of arson or of fire code violations; prepares follow-up correction notices and letters pertaining to initial inspections; issues citations of warrants for the arrest of violators; testifies in court on criminal complaints filed by the Fire Prevention and Investigative Services Bureau on offenses against fire laws, ordinances, and regulations.

Performs related duties as required.

JOB RELATED AND ESSENTIAL QUALIFICATIONS

Knowledge of:

Operation and maintenance of modern firefighting apparatus and equipment.

Fire inspection and investigation methods and techniques.

Codes and ordinances pertaining to fire prevention.

Fire alarm systems and fire related water delivery systems.

First aid methods and skill in their application.

Geography of the City.

Ability to:

React quickly and calmly in emergencies.

Operate firefighting apparatus and equipment.

Maintain effective working relationships with fellow employees and the public.

Write and speak clearly and distinctly.

Read and interpret blueprints.

MINIMUM QUALIFICATIONS

Experience:

Four years as a Firefighter with the City of Fresno Fire Department.

OR

Experience:

Two years as a Firefighter with the City of Fresno Fire Department.

AND

Education:

Completion of 15 units of job related college courses.

Special Requirements:

Completion of the following are also required at time of appointment:

Proficiency in entire skills listed in “Acting Firefighter Specialist Sign Off List” from Instruction No. 79; California State Fire Marshall Firefighter II certificate; Incident Command System 200; Driver Operator IA; and either Driver Operator IB or Fire Hydraulics.

Necessary Special Requirements:

Possession of valid Class B California Driver License, without Air Brake restriction, and with Tank endorsement.

An incumbent hired into the City of Fresno fire service after July 1, 1986 must possess and maintain a current Emergency Medical Technician I Ambulance (EMT I-A) certificate. Required training will be provided by the City.

NOTE: Future recruitments for Firefighter Specialist will be in conformance with the Fresno Fire Department’s Career Development Program.
